

III. Outreach and Communication Programmes

III.2 Highlighting programme: IQST keynote lectures

Content, objective and scope

The IQST highlighting programme connects IQST to other leaders in quantum science, and advertise quantum science and technologies as a whole. The IQST keynote lectures are given by renowned and world-leading researchers in the field and are open to everyone, including the general public.

Funding

The highlighting programme covers costs for travel and accommodation. The IQST office will offer support in organising and communicating the event.

Review Criteria

- World-renowned and distinguished scientist in quantum-related topics of the highest prestige and calibre
- Plan for networking with the IQST community, including early-career scientists
- Keynote lecture and topic aimed at a broad audience
- Application must take place min. 8 weeks before the planned keynote lecture

Application

Applicants are invited to submit a proposal to the IQST office iqst@iqst.org. The proposal will be reviewed and decided upon by the IQST board.

For any questions, please contact IQST office or IQST directors
